I. Meeting called to order by Chair Dwelle at 5:30 PM

II. Tyghe Richardson report

- A. Items noted during recent routine airport inspection by CalTrans
 - 1. Vegetation
 - 2. Taxi signs faded
 - 3. Trees partially obscuring rotating beacon
 - a. City will work with owner of the property where beacon is located
- B. Richardson is planning an all CFI/FBO meeting in February
 - 1. Soliciting input from airport users on issues to be discussed

III. Dwelle asked for input, commentary and questions from attendees

- A. Sgt. Souza (CHP) brought up the issue of potential obstruction danger from the night visibility reflectors at the new helipads
 - 1. Mr. Richardson will look into options
- B. Mayor Radell-Harris reported that the City is working on a new Municipal Master Plan
 - 1. She noted that this is independent from the Airport Master Plan
- C. Bryce Mitchell reported that he is working on a refurbishment plan for his hangar and the area immediately around it
- D. Don Wolfe (AAA) reported that the Association will be holding another Career Day on January 27th. See the Auburn Aviation Association website for more details
- E. Tyghe Richardson reported on some recent changes in the transient airplane parking area that should improve access

IV. Meeting adjourned at 5:50 PM
