

**AUBURN AVIATION ASSOCIATION  
BOARD OF DIRECTORS MEETING - ZOOM  
JUNE 14, 2021**

President, Randy Leys, called the meeting to order via ZOOM.

Discussion was held about plans to organize the July meeting - should it be a BBQ? Mike Duncan will ask Connie at Wings Restaurant for permission for us to use their patio for our event. Doug Fee suggested that AAA BBQ hamburgers and hotdogs and provide individual bags of chips and cookies. Doug McDougall made a motion, Doug Fee seconded, that the cost of supplies for the BBQ not exceed \$500 cost to AAA.

Mike Duncan, Greg Foss and Mac McElroy will make a presentation at the July meeting about the history of our airport - specifically explaining about Bill Clark's part in establishing it. There will be no ZOOM meeting for July.

David Dwelle explained about a recent donation we received from Benevity. After much discussion we will participate in their program - Mike Duncan will confirm that one of the donors is a student of Sunshine. David also is working with the FTB about a filing issue.

Mac will investigate whether we need insurance for the organization.

With no more business to discuss the meeting was adjourned.

Respectfully submitted,  
Joanie Mooneyham, Secretary
