

## Yvonne and Doug Fee

Yvonne and Doug Fee both grew up in middle class families in the suburbs of Los Angeles. They met in college and married shortly after both completing graduate school. Retired now, both had successful careers--Yvonne as a librarian and Doug as an airline pilot. Both attribute a significant part of their career success to their education and job training. They would like to help smooth the way for others to achieve satisfying careers too.

They have lived in Auburn for 35 years and have two grown children and three grandchildren.
